1. Assist graduates in obtaining employment in various possible options in the makeup artistry field.

student bulletin board located in a high-traffic area of the School. After time has lapsed or the job fulfilled, the employment leads are removed from the bulletin board and placed in a three-ring binder for future reference. This allows only the most recently received employment opportunities to be posted. The job board also allows up-coming graduates to pursue placement prior to completing their course of study. Industry employers are encouraged to visit the School and get acquainted with the student body.

Students and graduates are encouraged to take advantage of every opportunity to work with Career Services to sharpen their interviewing and presentation skills. Successful employment assistance is dependent upon a mutual effort by both graduates and Career Services. Graduates are encouraged to aggressively seek employment opportunities on their own, keep records of their contacts, and inform Career Services of these efforts.

These employment assistance services are available to all students who successfully complete the requirements for graduation in their respective programs. Employment opportunities may be limited for anyone who has a criminal background. Although a high school diploma or GED may not be a requirement for enrollment into your respective program, without a high school diploma or GED, your employment opportunities may be limited.

- (1) You are not a California resident, or
- (2) Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

Financial Responsibility

In the event, you obtain loans to pay for this educational program, you are responsible to repay the full amount of the loan, plus interest, less the amount of any refund. In the event you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur: (i) the federal or state government or a loan guarantee agency may take action against you, including applying any income tax refund to which you are entitled to reduce the balance owed on the loan, and (ii) you may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Loans are an important part of financing educational expenses. When students must borrow funds to finance their education, Blush School of Makeup provides all students with information to assist them in managing their loan(s) effectively as part of the School's Exit Interview process.

Compliance Statement

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her Social Security number is mandatory. The Social Security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

Tuition Payment

A student may, at his/her option, pay the tuition in full at any time during enrollment. Students may also arrange with the School Director for payments for any private institutional loan. The balance of any such institutional loan will be paid in monthly/weekly installments as agreed upon on the contract until the balance is paid in full. Payment may be made with cash, check, credit card, or money order made payable to Blush School of Makeup. Tuition payments should be mailed prior to the due date. Checks that are returned for non-sufficient funds will be assessed a \$25 processing fee. If tuition payments by check are returned more than once for non-sufficient funds during the term of the enrollment agreement, all future payments must be paid in cash or by money order.

Past Due Account

Students who fail to make prompt payments on an institutional loan, issue personal checks which are returned by banks, or fail to make a good-faith effort to keep their account current and in good-standing, may be subject to late fees and School disciplinary action. Students who have been dismissed for non-payment of tuition will not be re-admitted until all delinquent tuition payments have been paid in full. Should the student fail to honor the payment arrangements they may be turned over to a collection agency. The School will ensure all collection procedures reflect good taste and sound, ethical business practices. Should Blush sell or discount a student's promissory note or contract to a third party, it will ensure the third party complies with the cancellation and settlement policy of the School. In addition, Blush School of Makeup reserves the right to withhold a diploma or certificate and to deny requests for official or unofficial transcripts until the account is brought current.

California Cancellation, Withdrawal and Refund Policies

Following are the key terms and conditions of the School's cancellation, withdrawal and refund policies:

Student's Right to Cancel

- (1) You have the right to cancel your Agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time, and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current term in your program through the last day of attendance.
- (2) Cancellation may occur when the student provides a written notice of cancellation at the following address: Blush School of Makeup, One Embarcadero Center, Suite R-1206, San Francisco, CA 94111. This can be done by mail or by hand delivery.
- (3) The written notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
- (4) If the Enrollment Agreement is cancelled, the School will refund the student any money he or she paid, less a registration or administration fee (not to exceed \$150 / not to exceed \$10 for Veterans) and less the cost of any non-refundable kits and equipment, within 45 days after the notice of cancellation is received. There is no refund for text manuals nor may a student return a makeup kit once he/she takes possession of such a kit due to health and sanitation reasons.

Withdrawal from the Program

You may withdraw from the School at any time after the cancellation period (described above) and receive a pro rata refund for the current term if you have completed less than 60 percent of the scheduled days through the last day of attendance in that term. For purposes of determining a refund, if any, the School shall calculate tuition charges based on the scheduled attendance of the student.

The refund will be less a registration or administration fee (not to exceed \$150 / not to exceed \$10 for Veterans) and less the cost of any non-refundable kits and equipment, within 45 days after the notice of cancellation is received. However, if you owe more than the amount you paid, then you will have to make payment arrangements with the School.

Determination of the Withdrawal Date

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the School of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The School terminates the student's enrollment for failure to maintain satisfactory progress, failure to abide by the rules and regulations of the School, absences in excess of maximum set forth by the School, and/or failure to meet financial obligations to the School.
- The student has failed to attend class for 14 consecutive calendar days from the student's last date of attendance.
- The student fails to return from a Leave of Absence.

For the purpose of determining the amount of the refund, the student's last date of attendance will be used.

The student's date of determination (DOD) is the date the student notifies the School of their intent to withdraw, the date the School determines the student must be withdrawn based on existing policy, or the date that the student was scheduled to return from a leave of absence and failed to return. Refunds will be issued within 45 days of the DOD.

Therefore, once you have received any beauty equipment, its cost is charged to your account. Once you pay for the equipment it is yours to keep without further obligation. In any event, you will never be charged more than the equipment charges stated in the contract.

School Closure and Course Cancellation

If a course is cancelled subsequent to a student's enrollment, and before instruction in the course has begun, the School shall provide a full refund of all monies paid. If the School closes permanently and ceases to offer instruction after students have enrolled, and instruction has begun, the School must make arrangements for students. The School will calculate the refund owed to students on the basis of a pro-rata calculation and submit a list of all students who were enrolled at the time of the School closure and the amount of each pro-rata refund to the National Accrediting Commission of Career Arts and Sciences ("NACCAS").
